

**BELARUS NATIONAL ACADEMY OF SCIENCES**  
**Division of Biological Sciences**  
**SSPA «Chemical Synthesis and Biotechnologies»**  
**INSTITUTE OF MICROBIOLOGY**  
**Belarusian Non-Governmental Association of Microbiologists**

**Dear Colleagues!**

We kindly invite you to participate in the X International Scientific Conference  
**“Microbial biotechnologies: fundamental and applied aspects”**  
Minsk, 5-9 June 2017

The conference will focus on the latest achievements in the field of microbiology and biotechnology, modern trends and approaches to development of biopreparations for agriculture, industry, medicine, environmental protection. Prospects of effective conversion of inventions to innovations and transfer of high-tech innovative biotechnologies into the real economy sector will be discussed.

The Conference will be held in the format of plenary and special sections for presentation of oral reports and poster communications. Congress of Microbiologists of Belarus and meeting of East Palearctic Regional Section of International Organization for Biological Control will be organized within the framework of the Conference. The forum will host exhibition of local and foreign manufacturers offering a broad array of biotechnological products for agriculture, industry, environmental and health protection.

Abstracts of presentations will be published in Conference Proceedings. Plenary lectures and oral presentations, selected by the Organizing Committee, will be published in reviewed annual series of collected papers “Microbial biotechnologies: fundamental and applied aspects”, which will be issued before the conference.

The Organizing Committee reserves the right to specify the type of presentation (plenary lecture, oral report, poster communication), to reject abstracts and papers, which do not meet the conference thematic, formal criteria or deadline.

**Conference topics**

1. Microbial synthesis of biologically active compounds. Genetic-engineering of microorganisms. Microbial Collections.
2. Biotechnologies for Agriculture.
3. Biotechnologies for Medicine and Industry.
4. Biotechnologies for Environmental Protection.

**Conference Languages:** Belarussian, Russian, English

**Conference Venue:** Presidium of Belarus National Academy of Sciences (Minsk, Independence Avenue, 66)

### Key Dates

Registration deadline – 1 March 2017

Abstract Submission deadline – 1 March 2017

Deadline of Papers Submission for plenary / oral presentations – 1 March 2017

Registration fee payment deadline:

- with abstract (full participant) – 20 March 2017
- without abstract (attendant) – 15 May 2017

To participate in the Conference it is necessary to complete registration procedure and submit abstract prepared in accordance with established guidelines via on-line registration system ([www.mbio.bas-net.by/2017](http://www.mbio.bas-net.by/2017)).

Paper manuscripts on selected plenary lectures and oral presentations, complying with formal rules for authors of reviewed annual series of collected papers, should be e-mailed to the address: [conference2017@mbio.bas-net.by](mailto:conference2017@mbio.bas-net.by).

### Registration Fee

Participant	Fee
Belarus Republic*	50 US dollars**
Foreign countries	150 US dollars
Remote participation (abstract publication)	20 US dollars

Notes –\*for members of Belarusian Non-Governmental Association of Microbiologists participation is free of charge; \*\*equivalent amount in Belarussian rubles in accordance with exchange rate of National Bank of the Republic of Belarus at the time of payment.

Registration fee covers the cost of conference hall and equipment rent, transfer of participants to conference venue, attendance of all conference sessions and events, publication charges, access to exhibition area, delegate pack and badge, coffee-breaks, welcome party.

Registration fee should be transferred to the bank account of the Institute of Microbiology, Belarus National Academy of Sciences.
