

NATIONAL ACADEMY OF SCIENCES OF BELARUS
Division of Biological Sciences
SSPA “Chemical Synthesis and Biotechnologies”
INSTITUTE OF MICROBIOLOGY OF NASB
BELARUSIAN NON-GOVERNMENTAL
ASSOCIATION OF MICROBIOLOGISTS

Dear Colleagues!

We kindly invite you to participate in the XIII International Scientific Conference
“Microbial biotechnologies: fundamental and applied aspects”
Minsk, 6–9 June 2023.

The Conference will be held in personal attendance and online formats. The program will comprise plenary reports and sessions of oral presentations.

Additionally, the conference will include the following activities:

- The meeting of Belarusian Non-Governmental Association of Microbiologists.
- The panel discussion “Microbial biotechnologies: problems and perspective”.
- Exhibition of innovative biotechnological products, of equipment and reagents for microbiology, biochemistry and molecular biology.

Abstracts of presentations will be published in Conference Proceedings. By agreement with the Organizing Committee, the presented materials may be published in the annual series of collected papers “Microbial biotechnologies: fundamental and applied aspects” (recommended by Higher Attestation Commission of the Republic of Belarus for publication of dissertation research results and enlisted in Russian Science Citation Index), to be issued in the fourth quarter of 2023. Guidelines for papers submission will be sent to the authors by Organizing Committee.

The Organizing Committee reserves the right to reject abstracts and papers which do not meet the conference thematic, formal criteria or deadline.

Conference topics

- 1 Physiology, biochemistry and genetics of microorganisms.
- 2 Microbial synthesis of biologically active compounds. Genetic engineering of microorganisms. Microbial Culture Collections.
- 3 Biotechnologies for Agriculture.
- 4 Biotechnologies for Medicine and Industry.
- 5 Biotechnologies for Environmental Protection.

Conference Languages: Belarusian, Russian, English.

Conference Venue: State Scientific Institution “Institute of Microbiology, National Academy of Sciences of Belarus”.

To participate in the conference, it is necessary to complete registration procedure and submit abstract of the paper (up to 2 full pages of A4 format), prepared in accordance with established criteria via on-line registration system (www.mbio.bas-net.by/2023).

Key Dates:

Registration deadline: 1st April 2023.

Abstract Submission deadline: 1st April 2023.

Registration fee payment deadline 20th May 2023.

Paper manuscripts to be published in the reviewed annual series of collected papers “Microbial biotechnologies: fundamental and applied aspects”, complying with formal rules for authors, should be e-mailed by 12 May 2023 to the following address: conference@mbio.bas-net.by.

Registration Fee

Participant	Fee
Personal attendance	30 US dollars *
Online and remote participation (abstract publication)	10 US dollars *
Members of Belarusian Non-Governmental Association of Microbiologists (BNAM)	Free

Note * equivalent amount in Belarusian rubles in accordance with exchange rate of National Bank of the Republic of Belarus at the time of payment.

Registration fee includes the expenses of videoconferencing, equipment rent, transfer of participants to conference venue, participant package.

Registration fee should be transferred to the bank account of the Institute of Microbiology, Belarus National Academy of Sciences.

In case of any questions regarding payment of registration fee, please contact the Olga Levchuk (Secretary of Organizing Committee):

e-mail: scient_secretary@mbio.bas-net.by;

phone: +375 (17) 364 47 18, +375 (29) 842 32 62.

Travel and Accommodation

Upon preliminary request a hotel room may be reserved for the participants. For independent hotel booking please use the following electronic resources:

<https://academhotel.by/>

<https://gostinitsy.by/>

<https://belhotel.by/en/>

All travel and living expenses are borne by the delegating party.

Contact Information

The detail about the conference can be found on the official web page of the event (www.mbio.bas-net.by/2023).

Contact phones:

+375 (17) 357 89 24: Tatiana Semashko (Deputy Director for Science and Innovation);

+375 (17) 394 47 18, +375 (29) 842-32-62: Olga Levchuk (Secretary of Organizing Committee).

E-mail: conference@mbio.bas-net.by
